To

Secretary to the Government of Mysore,

Through

Sir, The Revenue Commissioner,in Mysore,Bangalore.

I have the honour to forward herewith for favour of sanction/a and publication in the Mysore Gazette,Declaration statements in duplicate both in English and Kannada,in respect of the acquisition of properties noted therein of Nituvalli village of Davangere taluk required for laying out an extension to the Cooly Colony in the Hadadi extension of Davangere town.

2) The estimated cost of acquisition of these lands will be met out of the funds already deposited for the purpose by the Davangere City Municipality which has agreed to the same.

3) The preliminary notification as under section 4(1) xxxxxx and the hearing of objections under section 5-A of the Land Acquisition Act as amended by Act 1 of 1923 are unnecessary as the Land have already been demarcated and measured and the need is obvious and urgent and therefore may be kindly ordered to be done away with

4) As the work is of an urgent nature, I request that sanction may also be obtained to take possession of the said properties under section 17 of the Land Acquisition Act..

5) The Land Acquisition Officer Davangere Sub Division may be appointed to perform the function of a Deputy Commissioner under the Land Acquisition Act and authorised to take order of the acquisition of the lands in question

6) Twenty five copies of Kannada Declaration statement may, it is requested be kindly arranged to be supplied to the Davangere Sub Division,Land Acquisition Officer from the Government Press direct

) The entire records ending with Letter No L.A C.5/41-42 dated 12-5-48 from the President,City Municipal Council,Davangere.

The Municipal Council,Davangere in their proceedings of the meeting held on 2-11-1944 has resolved that the Govt. be requested waive the conversion fine as the land ~~is~~ proposed to be acquired meant for ~~forming~~ forming building sites and giving them to the poor homeless labour class for nominal price. It will be seen from the President's letter No.L.S.C.5/41-42 dated 23-4-45 that laying out sites formation of roads and conservency lane will cost Rs.21360/ and that of providing water facility is estimated at Rs.28000/.He therefore requests for waiving of conversion fine in view of the fact that the realisation from the sale of these sites is nothing when compared with the heavy expenditure to be incurred by the Municipality as it is proposed to dispose off these sites to the poor for a nominal price.

I agree with the President and recommend that the conversion fine may kindly be waived as the Municipality derives no profit by the disposal of the sites in the proposed extension.

I have the honour tobe,
Sir,
Your most obedient Servant,

Deputy Commissioner,Chit.Dist.
